

APPENDIX B

ECOLOGICAL SITES IN THE STUDY AREA

Site no.	Grid ref.	Site description/habitat types
1	N 67 11	Conifer plantation and recently felled woodland on low ground
2	N 66 09	Raised bog, cutover bog and conifer plantation
3	N 65 08	Conifer plantation and recently felled woodland/degraded raised bog
4	N 63 08	Mixed broadleaved/conifer woodland on a hill
5	N 67 07	Scattered woodland stands and treelines
6	N 82 08	Unimproved dry grassland
7	N 83 05	Narrow strip of scrub/woodland
8	N 65 05	Lowland wet grassland/boggy area and conifer plantation
9	N 67 03	Lowland wet grassland/heath/degraded raised bog
10	N 66 03	Lowland wet grassland/heath/degraded raised bog
11	N 65 02	Conifer plantation, degraded raised bog and cutover bog
12	N 80 03	Scattered woodland stands along riverbank
13	N 77 01	Wet grassland on a hill
14	N 81 01	Narraghmore Bog, partly planted with conifers
15	S 64 99	Wet grassland on the River Barrow floodplain
16	S 70 98	Lowland wet grassland/heath on the margins of an area of cutover bog
17	S 70 97	Lowland wet grassland/scrub
18	S 76 99	Wetland area, possibly wet grassland
19	S 78 99	Unimproved dry grassland on Narraghmore Demesne
20	S 77 97	Conifer plantation and degraded raised bog
21	S 78 97	Wetland area with scrub and scattered trees
22	S 66 96	Areas of semi-natural habitat along the River Barrow
23	S 69 94	Scattered trees and possible wetland area
24	S 71 94	Small plantation on lowlying, possibly wet land
25	S 73 94	Lowland conifer plantation
26	S 81 95	Scrub/wet grassland along river valley
27	S 81 97	Narrow strip of woodland on hill slope
28	S 63 92	Lowland conifer plantation/heath
29	S 62 90	Wetland area with scrub
30	S 65 91	Conifer plantation and wetland area
31	S 65 90	Conifer plantation on wet ground/heath
32	S 69 91	River Barrow and fringing areas of scrub and woodland
33	S 72 90	Mixed broadleaved/conifer woodland
34	S 76 91	Lowlying wetland area near stream
35	S 78 91	Woodland along the River Greese
36	S 60 88	Scrub/woodland along Blacktrench Stream
37	S 63 87	Scrub along Fuer River
38	S 59 86	Scrub along Shonragh Stream and unimproved upland grassland
39	S 60 86	Wet grassland on hill slope
40	S 61 86	Wet grassland on hill slope
41	S 65 85	Lowland unimproved grassland along stream
42	S 67 87	Wet grassland beside Ballylynan pNHA 857 - see Table 9.2
43	S 78 88	Scrub, wet grassland and possibly fen
44	S 75 87	Mixed broadleaved/conifer woodland on a hill adjacent to golf course
45	S 78 88	Scrub along Lerr River
46	S 71 86	River Barrow and fringing semi-natural habitats
47	S 59 85	Scrub along river on hill slope

Site no.	Grid ref.	Site description/habitat types
48	S 59 83	Upland conifer plantation and unimproved grassland
49	S 60 84	Scrub along river valley
50	S 62 84	Scrub/woodland along Douglas River
51	S 65 83	Scrub on hill slope
52	S 67 84	Wetland area adjacent to river
53	S 64 82	River, unimproved upland grassland and scrub
54	S 65 81	Scrub/woodland on hill slope
55	S 64 80	River, wet grassland and scrub on hill slope
56	S 67 83	Scrub/woodland and wetland area (possible waterbody) beside stream
57	S 71 85	Scrub/wetland areas along the River Barrow
58	S 71 80	Scrub/wetland areas along the River Barrow
59	S 73 88	Plantation of broadleaved trees on an estate
60	S 56 79	Waterbody
61	S 57 80	Scrub and wetland along river
62	S 56 78	Wetland near Clough River
63	S 61 80	Wetland area and unimproved grassland near Glenahare Stream
64	S 61 79	Wet grassland/scrub on hill slope
65	S 63 79	Scrub along river valley
66	S 65 79	Scrub/woodland fringe on sloping ground beside river
67	S 78 79	Conifer plantation on small hill
68	S 80 79	Scrub/trees along river
69	S 78 78	Lowland conifer plantation
70	S 53 77	Conifer plantation on hill slope and upland grassland
71	S 54 74	Mixed broadleaved/conifer woodland, wetland areas and open water
72	S 52 73	Scrub/woodland fringe along river valley
73	S 55 74	Scrub/woodland fringe along river valley
74	S 54 73	River and wet grassland on hill slope
75	S 54 72	Mixed broadleaved/conifer woodland on sloping ground
76	S 52 71	Broadleaved woodland
77	S 68 72	Quarry
78	S 70 72	Woodland fringe along the River Barrow
79	S 76 73	Possible wetland area on low ground near river
80	S 72 70	Quarry/gravel pit
81	S 54 69	Scrub/woodland fringe along Dinin River
82	S 53 68	Small area of woodland on hill slope
83	S 53 67	Wet grassland on hill slope and along river
84	S 50 66	Wetland area beside Esker Pits pNHA 832 - see Table 9.2
85a	S 49 65	Small woodland stand
85b	S 48 66	Small woodland stand
86	S 47 65	Mixed broadleaved/conifer plantation on hill
87	S 48 64	Mixed broadleaved/conifer woodland along Dinin River
88	S 49 65	Scrub/woodland along the Dinin River
89	S 52 65	Scrub, wetland along river and on hill slope
90a	S 50 62	River with scrub/woodland fringe
90b	S 50 61	River with scrub/woodland fringe
91	S 53 63	Scrub/woodland area along river valley and on steep slopes
92	S 54 61	Conifer plantation
93	S 56 61	Scrub/trees along river valley and beside road

Site no.	Grid ref.	Site description/habitat types
94	S 66 69	Wet grassland on hill slope between two rivers
95	S 69 69	Lowland wetland area and scrub
96	S 72 68	Quarry
97	S 72 66	Lowland wetland area beside river
98	S 74 66	Conifer plantation and heath/unimproved grassland on hill slope
99	S 69 65	Scrub/woodland fringe along the River Barrow at Leighlinbridge
100	S 70 63	Scrub/woodland fringe along the River Barrow
101	S 72 63	Scrub/woodland beside Ballymoon Esker pNHA 797 – see Table 9.2
102	S 68 61	Narrow strip of woodland beside the River Barrow
103	S 71 60	Conifer plantation and wet grassland on hill slope
104	S 72 60	Scrub/woodland in river valley
105	S 57 58	Narrow woodland strips on a hill and along a river
106	S 60 57	Scrub/woodland along a river
107	S 61 57	Mixed broadleaved/conifer woodland on a hill slope
108	S 54 57	Scrub and lowlying wetland area
109	S 55 56	Scrub and lowlying wetland area
110	S 66 60	Narrow woodland strip beside road
111	S 71 59	Mixed broadleaved/conifer woodland along river
112	S 52 66	Woodland and wetland areas beside the Douglas River
113	N 68 11	Wet grassland, scrub and possible fen
114a	N 68 09	Area of scrub and wet grassland
114b	N 68 09	Area of scrub and wet grassland
115	N 82 05	Quarry
116	N 83 03	Quarry
117	N 82 02	Unimproved dry grassland
118	S 71 68	Quarry with adjacent areas of scrub
119	S 65 63	Quarry with adjacent areas of scrub and heath on a hill slope
120	S 64 60	Quarry
121	S 63 82	Wet grassland and scrub
122	S 73 74	Wet grassland
123	S 70 70	Scrub/woodland along River Barrow
124	S 47 61	Woodland on slope and unimproved grassland
